## 7.00PM 'FROM BAYEUX TO ROS'

A Talk by **Countess Ann Griffin Bernstorff** on the magnificent embroidered ROS Tapestry.

The dramatic story of Ireland's romantic Norman Past is artistically told in thread. As the tale unfolds, a significant part of Irish heritage is brought to life through the depiction of the Norman's arrival to the South East of Ireland and the consequential development of the dynamic Port of Ros, becomes a visually enthralling setting, richly embroidered on the magnificent Ros Tapestry.
